

# Historical Armory is proud to present the George Washington Presidential Series Rifle

Produced exclusively by Historical Armory on the affordable, American-made Henry Golden Boy .22LR rifle (Model #H004), the George Washington Presidential Series rifle depicts significant places and events from George Washington's life and legacy, including the Crossing of the Delaware, Valley Forge, Mount Vernon, and the Washington Monument. In addition, each numbered rifle in the edition includes a pristine George Washington \$1 Coin embedded in the buttstock. This stunning tribute to America's First President is available NOW, offered only by Historical Armory!

To order your George Washington Presidential Series Rifle today, contact us at [info@historicalarmory.com](mailto:info@historicalarmory.com) or 1-877-484-0179.

Meticulously researched, beautifully illustrated, the Presidential Series Rifles feature expert engraving, original artwork and the Presidential \$1 Coins celebrating the lives and accomplishments of our nation's Commanders-in-Chief.
