

## Historical Armory is proud to present the **Wounded Warrior Project Commemorative Rifle**

In honor of the brave men and women of America's Armed Forces, Historical Armory is offering an exclusive opportunity to **"Support Our Troops"** in a significant and meaningful way with the **Wounded Warrior Project Commemorative Rifle**. Produced on the American-made Henry .22LR rifle (Model #H001), the Wounded Warrior Project Commemorative Rifle features original artwork and exquisite engraving on the American Walnut buttstock, along with the official Wounded Warrior Project logo on both sides of the receiver. Best of all, the Wounded Warrior Project will receive \$50 from the sale of each rifle!

**WOUNDED WARRIOR  
PROJECT**

## **Wounded Warrior Project Commemorative Rifle**

The dedicated individuals of the Wounded Warrior Project provide vital assistance to severely wounded members of our nation's Armed Forces during their crucial transition from hospital recovery to civilian life. In support of this mission, Historical Armory has made arrangements for a tax-deductible donation of \$50 to be made to the Wounded Warrior Project from the purchase of each individually numbered commemorative rifle. In return, the purchaser will receive a beautiful Henry rifle and a letter from the Wounded Warrior Project thanking them for their donation. This unique opportunity to honor the dignity and noble sacrifice of our nation's soldiers is available **NOW**, only from Historical Armory.
